# SAFETY, RESULTS AND THE RULES

## SAFETY

We will have a safety team on the water at all times during the event. There is also a medical team at the finish line.

Due to the cold water temperatures in the Killary Fjord at this time of the year - typically 12-13 degrees Celsius - hypothermia can set in quickly, especially for anyone swimming in skins. It is essential that swimmers monitor how they feel in the water. If in doubt, act quickly and alert our safety staff on the water who will ensure you get the treatment you need.

If at any time our safety team does not feel that you are capable of meeting the cut off time, or they are concerned for your safety, you will be removed from the water. These decisions are always made with your safety in mind. The Water Safety Director's decision is final.

If you have a medical condition that we need to be aware of, please drop us an e-mail in advance of the event: [info@gaelforceevents.com](mailto:info@gaelforceevents.com).

You are responsible for your own safety. We advise that competitors organise their own personal insurance.

Please do not attend this event if you have Covid-like symptoms.

## THE RULES

This is an unsupported race. This means that you may not get food, drink or other equipment from spectators or helpers along the way, unless you have permission from the Race Director due to a medical condition.

For reasons of fairness, safety and responsibility, all competitors are expected to abide by our Event Rules. We ask all competitors to:

**Follow all event rules, instructions & signage.**

**Wear a tow float. You will not be allowed to race without it.**

**Respect the environment & local inhabitants.**

We are very lucky to have access to these stunning routes.

**Do not litter anywhere on the route.** You will be disqualified immediately with no exceptions.

**Respect & help your fellow competitors.** You are all in this together

**Listen to our marshals.** They are there for your safety.

**On entering, competitors agree to a declaration to waive liability, confirm acceptance of the rules & agree to the release of personal images to the media and for event promotion purposes.**

**International competitors must have the appropriate travel documents, visas & comprehensive medical insurance in place for this event.**

The Race Director's decisions are final.

**Rules may be modified to deal with unforeseen circumstances, at the discretion of the race organiser**
